L.I.F.T: LADIES IN FELLOWSHIP TOGETHER Ongoing Weekly Bible Study

L.I.F.T. is a group of ladies who seek to lift up Jesus, grow in our relationship with Him, and lift up one another. God speaks to each of us personally and intimately through His Word and so we listen by using a simple Bible study method we call the "1,2,3." As we hear and walk in the truth of His Word, our lives, our hearts and our desires are changed. God is working in and through us.

SHARING

CONVERSATIONS with CATHOLICS 3 weeks beginning September 15

Acts 4.12: "Salvation is found in no one else, for there is no other name under heaven by which we must be saved."

"A.C.T.S. 4.12 Outreach (Assisting Catholics Transitioning to Scripture)" offers a respectful approach to reaching out to Roman Catholics with the Gospel of Jesus Christ. The goal is to educate those who either have or have not been a Catholic to respond to family, friends or acquaintances when discussing spiritual matters, with the goal of presenting the Gospel without building impenetrable "walls." Unfortunately, a sincere soul-winner's "zeal" alone may not be enough, as there are several "barriers" present that may interfere with reaching especially a sincere Catholic. These Barriers will be discussed, as well as Principles in reaching Roman Catholics with "gentleness and respect."

MEN

MEN @ MIDWEEK Ongoing Weekly Bible Study

An interactive, in-depth small group Bible study on Wednesday evening at 6:45 PM.

Teacher is Larry Roach.

Bible Study on 1 Peter.

First Peter focuses on the importance of believers bearing up under unjust suffering yet continuing to live well ([1 Peter 2:20](#)). 1 Peter provides encouragement for the true believer to continue on in the way that Jesus has laid out for all of His followers. The endurance Peter called these believers to is similar to Job of the Old Testament, a man who suffered despite his righteousness. Peter maintained that this was the kind of true perseverance that God expects from His people.

BIBLICAL BUDGETING 101 3 weeks beginning October 13

MONEY

This mini-class will provide some practical tools to help you develop a budget to live by! Everyone needs a plan for budgeting for needs and wants. The Bible offers examples, principles, and direct statements about budgeting, planning, and living within our means. There are many spiritual principles associated with budgeting, including contentment, faith, self-control, obedience, thankfulness, and responsibility. Early in life is the best time to begin budgeting. It can be more complex, and take more patience, to reap the benefits of budgeting if you start later, especially if you are already in a financial hole. But, with determination to do the right thing, with faith and trust in God, and with patience, it is not too late to begin to be faithful, even in what might seem to be "least"—your financial resources.
